Tues 13th June – Year 3 Trip to The Minack

Theatre **more details to follow*

ASSEMBLY VALUE

Our next whole School Assembly is
with GoActive
What is Bubble Football/Zorbing?

CROSS COUNTRY SUCCESS!

Very well done to Jacob W, Luke M, Elliot and Archie who competed in the County Cross Country finals on Thursday at Newquay. They all did extremely well and we are so so proud of them. Well done!

CELEBRATIONS & ACHIEVEMENTS

Fri 17 th March	Celebration	Achievement
Mousehole	Autumn	Amelie
Godrevy 1	Matilda	Ailsa
Trevose 1	Zenon	Bella
Class 2	Callum	Daisy
Class 3	Sonny	Toby
Class 4	Oscar R	Thomas L
Ocean	Kirsty	Ella
Jungle	Nerayah	Flo
Six	Isaac	Jenna

We have been very busy celebrating and enjoying Science Week this week. On Tuesday, we were very lucky to have Google Expeditions in school and all the children from Year 1 to Year 6 took part in the workshops, travelling around the world - and beyond - on virtual journeys. It was incredible! Over the rest of the week Mousehole Class investigated super hero powers of magnets, bubble blowing and melting ice, Godrevy and Trevose found out about animals, including humans, and Class 2 explored lots of different materials. Class 3 were busy trying to make giant bubbles and discover why bubbles are usually round. Class 4 used boiled eggs to discover which liquids are harmful to teeth, while Ocean Class found out a lot about Space, the moon and seasons. Jungle Class looked at separating materials, changing states of solids (including chocolate!) and Class 6 have made shadow puppets and investigated light. What a wonderful time!

CONGRATULATIONS MHA

We are very proud to announce that Mrs Williams has recognised for her tremendously work in Health & Wellbeing for our school. The school has been awarded a rather stunning glass trophy by the Aspire Director of Health & Wellbeing, Mr Roger Green. Great work Mrs Williams! Great work!

GOOGLE EXPEDITIONS

On Tuesday, we were lucky to have a visit from Google Expeditions, delivering workshops for the children taking us on virtual reality visits. This was a pioneer programme, enabling the children to virtually visit different parts of the world (and even the moon!) They all thoroughly enjoyed the experience.

PARKING ISSUES

One of our parents has mentioned that there are parking problems in Beacon View (parents actually parking in the residents private parking bays!) Unfortunately, some inconsiderate drivers are also blocking the paths for pedestrians by parking their vehicles up on the walkways. Please do have consideration for our local residents and their families. Many thanks in advance for your support with this matter.

ISAAC & MARTHA'S CAKE SALE

Well done to Isaac and Martha for their Cake Sale on Thursday after school, in aid of Marie Curie Cancer Care. You can also donate directly to their fundraising page by using the following link:-
https://www.justgiving.com/fundraising/swimathon-2017-Isaac-and-martha?utm_source=facebook&utm_medium=shares-from-eua&utm_content=swimathon-2017-Isaac-and-martha&utm_campaign=eua-share-facebook

YEAR 1 EXPLORE PENDENNIS CASTLE

On Thursday Year 1 had a fantastic day at Pendennis Castle in Falmouth. The children looked around the castle and identified, drew and discussed the different features of the castle. The cannons fired and real smoke came out of them! The children got to dress up in uniforms and as knights. Ollie said, "This is the best day ever!" Thank you to all of the teachers and TAs who made this day possible.

TRURO STORY TELLING COMPETITION VICTORY!

Very well done to Class 4 and Ocean Class who did extremely well in the Story Telling Competition at the Cornwall Music Festival, held in Truro Methodist Church. Ocean Class came first and Year 4 came second! A tremendous result to recognise lots of hard work. Mrs Powell and Mrs Williams were absolutely delighted with the children. Their behaviour and performance.

THANK YOU TO STEVIE IN YEAR 5

We were thrilled to welcome Stevie's lambs to school this week. Keith and Lemmy are truly beautiful and we all thoroughly enjoyed meeting them. Thank you also to Maddi in Year 4, who shared her family's stick insect collection with her class.

GOODBYE MRS MILLER

Sadly, Mrs Miller will be leaving us at the end of this term. Mrs Miller has been at Mount Hawke for six years, progressing from TA to HLTA. She has given a huge amount of commitment and effort to our school and children over this time, sharing her passion for maths in particular, and we would like to say a big thank you for this.
