OCEAN CLASS VISIT ST EWE EGGS FARM

On Thursday Ocean Class also went to visit St Ewe Egg Farm. Not only did the children have a fabulous day learning about how free range eggs are farmed in a kind and caring environment, but they also all brought home half a dozen free range eggs to share with their families. Many thanks to all who took part and to all who helped on the day.

Please note that all Breakfast Club and Playzone bills have now been sent out. Please ensure that these are paid as soon as possible.

Many thanks.

PLEASE BE SAFE

There have been some recent incidents of parents and children walking up Rodda's Road and feeling unsafe as cars are passing them. Drop off and pick up times at school are always busy and we must all try to do all we can to ensure the safety of others.

It would really help if parents and carers do not drive up and down Rodda's Road during these busy times. The road is full of holes, as well as families, and is not ideal for driving. It is quicker and safer if all cars drive through the village on the road. It leaves Rodda's Road free for families to walk up and down in a safe route.

No-one would want to see a child injured and we feel strongly that following this guidance will really help to keep everyone safe. There is no way to legally enforce this, but we appeal to everyone's common sense and shared goal of keeping children safe.
