YEAR 6 PARENT TALK

Thanks so much to Florence, Martha and Hector's mother, Georgia, for coming in to school and giving Year 6 a fabulous career talk about her work in Anaesthetic Team at Truliske Hospital. Three members of the simulation team accompanied Georgia and brought a simulation dummy along, so the children could practice making a patient breath. The dummy made noises and was wired up to monitor. What an amazing experience for the children to be involved with. Thank you!

THE MHA TRAVERSING WALL IS TAKING SHAPE

Thanks to all the support that our wonderful friends and families have given the school, we are delighted to say that the traversing wall is in its final stages. We are also delighted to announce that we have been awarded a £500 Community Chest Grant, via our local Councillor, Joyce Duffin. Fabulous news! A special thank you to Mrs Thomas for fund gathering and to Mr Clapton for building such an amazing wall.

BALLET EXAM SUCCESS

Eliza took her RAD pre-primary ballet exam on Saturday and she did extremely well. Well done Eliza, we are all very proud of you!

RECYCLING AT MHA

We are delighted to announce you can now recycle your **plastic confectionery packaging** at Mount Hawke Academy. Another great way to encourage the children to recycle their waste and help protect our planet.

PLEASE BE SAFE & RESPECT NEIGHBOUR PROPERTY

There have been some recent incidents of parents and children walking up Roddas Road and feeling unsafe as cars are passing them. Drop off and pick up times at school are always busy and we must all try to do all we can to ensure the safety of others.

One measure that we always say will really help is if parents and carers do not drive up and down Roddas Road during these busy times. The road is full of holes, as well as families, and is not ideal for driving. It is quicker and safer if all cars drive through the village on the road. It leaves Roddas Road free for families to walk up and down in a safe route.

No-one would want to see a child injured and we feel strongly that following this guidance will really help to keep everyone safe. There is no way to legally enforce this, but we appeal to everyone's common sense and shared goal of keeping children safe.

We have also had neighbours contacting the school as children are playing on the walls in front of their houses, and in some cases accidentally damaging brick work and flowers in the process. Please be mindful that many of our neighbours take great care of their gardens and we would hope that our families would respect this.
