Dear Families

What an exceptional week this has been! The weather has been incredible, and so have the children, managing the heat so well. They have been so very sensible, wearing hats and sunscreen, finding shade, having fun with water and still working so hard, making the most of our MHA Science Week.

On Monday, Pendeen headed off to Trevaskis Farm to learn more about growing food, and through the week have worked so hard in our school garden to look after plants donated by B&Q. A huge thank you goes to everyone who has come into school this week to talk about their work or interests linked to Science. The children gain so much from this, sparking new interests and bringing learning to life. Such great support from our families is wonderful. We hope that you enjoy our open classrooms this afternoon, celebrating the children's work.

We have also hosted several other visitors this week. Teachers from other schools in Aspire visited Years 3 and 4 and left very impressed with the levels of learning and enthusiasm shown by the children. A representative from Kernow English Hub spent time in Truro Class, watching a reading comprehension lesson. She described how confidently the children analysed a text and were able to discuss their learning. Well done everyone!

My Personal Best Life Skills for next week are...

EYFS and KS1 – Concentration

KS2 – Curiosity

We will explore these life skills and link them to our ASPIRE values, encouraging their use in all our activities. You can read more about this here - [My Personal Best - Youth Sport Trust](#) and here - [Mount Hawke Academy - Ethos, Aims & Values](#)

Celebrations

Today saw a lovely end to the month – our Superstar Assembly. The parents of the children named below have already had a letter, telling them that their child has been noticed for going above and beyond in all that they do and we are giving them a Book Token too to help them buy a book of their choice.

This is to say a huge THANK YOU and WELL DONE for all that our Superstars do, from everyone at school.

Recommended Read

Mousehole Class's chosen read this week is from Eva. Eva recommends *My Wobbly Tooth Must Not Ever Never Fall Out* by Lauren Child. I liked it, it was really funny I liked when they said 'I am going to get a giraffe.' My least favourite bit was when she couldn't find her tooth. I particularly liked the ending when they checked all their teeth for wobbles. An apple made her tooth fall out!

MHA Minibus

Unfortunately, at the end of the summer term, we have to hand back our school minibus. We have had to make further adjustments to our budget as we, along with schools across the country, continue to face significant financial pressures due to ongoing funding constraints. Our focus remains firmly on delivering a high-quality education for every child, but the minibus is something we can no longer afford. If anyone knows of any funding or sponsorship opportunities, we are always delighted to hear about these.
