Head of School: Miss C Biddick

9<sup>th</sup> July 2026

Dear Consultee,

At Mount Hawke Academy we currently accept children from reception through to Year 6.

We are fortunate enough to have the capacity to increase our intake and are currently investigating the potential of adding a nursery setting for 2-4 year olds. This will enhance transition between the nursery and main school and enable our pupils to feel part of our school community from a younger age, providing greater educational consistency for our parents and families. We are therefore looking to convert a number of statutory school-age places to nursery places.

In advance of us submitting an application to the Department of Education to amend our funding agreement, we invite feedback on this proposal.

A three-week consultation process starts on **Thursday 9<sup>th</sup> July 2026** and ends on **Wednesday 9<sup>th</sup> September 2026**. We invite you to request a phone call or meeting if you would like to discuss these proposed changes.

Should you not be able to participate in the above, and would like to make comments about the proposed change, please email [hello@mounthawke.org](mailto:hello@mounthawke.org)

Thank you for taking the time to hear our proposals.

Yours faithfully

**Catherine Biddick**
