Dear Families

It has been wonderful this week for all of Lower Key Stage Two to visit the museum in Truro to finish off their learning on their history topic of Ancient Egypt. The children were praised for their exemplary behaviour and were able to share a lot of information with the museum staff. They even got to mummify things! On Monday, class photos and Year Six leaver photos were taken and we will share these with you as soon as possible, so that you can purchase these if you would like. Any profit we make goes into school funds and is spent on the children.

Next week is our **Platinum Jubilee Celebration Week**. Throughout the week, we will be learning more about the 70 years that Queen Elizabeth II has been on the throne, taking part in many activities, and each class will be creating a new canvas to be displayed in the hall in the future. We look forward to Thursday, when all children are invited to come to school wearing red, white and blue or in party clothes (no school uniform needed) and bring a plate of picnic food for themselves. At 2:00pm, we will open the doors and you are welcome to visit the classes to share the children's work, and then take your child onto the field to enjoy your picnic (please bring a rug or chairs) before heading home to enjoy the extra day off on Friday (the day we have taken for the extra Bank Holiday). If you can't make this, we will make sure that your child enjoys their picnic with their teacher. If it is wet, we will eat in classes.

## Celebrations

We held our Friday Whole School Celebration Assembly today and it was lovely to share the news from each class with everyone and celebrate all the hard work together. All of our children make us very proud each week, and to gain this additional recognition is very special.

## Uniform

Thank you for supporting our uniform policy. Please remember that school hoodies should only be worn on PE days, and that on non PE days footwear should be school shoes – not trainers. Please also remember to name everything. We shared an incredible pile of lost coats and sweatshirts in assembly today. When items are named, we do get them back to their owner. Also, if you have uniform that used to belong to another child, please remember to change the name. We've found sweatshirts this week that have the name of children who must be 16 by now!

## Sport

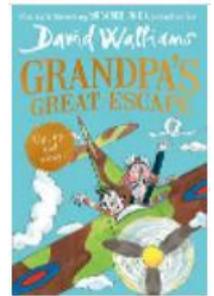

This week, our girls and boys football teams both played super matches in their respective County Finals and both narrowly missed out on winning. Well played everyone and congratulations.

## Reading

This week's book review is from Archie in Lamorna Class...

### Grandpa's Great Escape by David Walliams

This book is an adventure book which has some sad bits in it but exciting parts as well. It is also uplifting in places. It is about a grandpa and his son; the son is called Jack and the grandpa, well, he is called Grandpa! Jack's grandpa fought in the Second World War as the best fighter pilot and he flew a spitfire. But unluckily one day, Grandpa developed a disease where he thinks it's the Second World War. So Jack acts like it is to keep him happy. I have really enjoyed the humour in it as well.

## Relationship and Sex Education

Through the Summer Term, all classes use the unit 'Growing and Changing' from our scheme, SCARF, to teach Relationship and Sex Education. More information can be found on our website - [Mount Hawke Academy](http://MountHawkeAcademy.com) – and please do feel free to discuss this further with your child's class teacher if you would like to.

## Defibrillator

We are delighted to let you know that we have raised enough money to purchase our own school defibrillator. Thank you so very much for supporting us in this and making such generous donations. We will place the order next week and let you know when it is delivered.

## Communications

Remember to use the email [hello@mounthawke.org](mailto:hello@mounthawke.org) or phone 01209 890230 if you need to speak to one of us, let us know about something or share something with us.
