Head of School: Miss C Biddick

25.6.21

Dear Families

The weeks seem to get busier and busier as we move towards July!  
This week we have had a visit from the Library Van, and we now have over 200 new books to enjoy.

Also, in VERY exciting news, Mr Hill has been awarded the Bronze Pearson National Teaching Award for Digital Innovator of the Year! This is a national award, and received many nominations from all over the country, so we are delighted for this very well-deserved recognition for all that Mr Hill does for IT in our school and Trust, and in helping out other schools across the country too.

Our Year Five and Six children have had their final session of mindfulness and the response from them has been very positive – it has given them many strategies to use now and in the future, promoting wellbeing and resilience.

## Covid Update

The surge in cases in Cornwall continues and we are hearing of many schools having to close Bubbles. Thank you so much for your support and understanding during this time, helping us all to keep as safe as we can. It is a challenging time again, especially when we factor in the usual summer colds and hay fever.

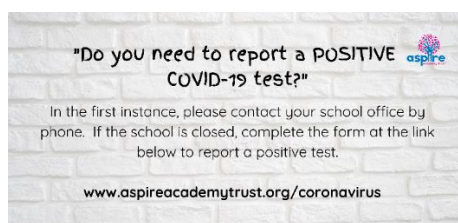

Please help protect everyone in our school and community by remembering a few rules:

- If you or your child has any symptoms of Covid you must either take a PCR test or self isolate for ten days.
- If you have symptoms, a Lateral Flow Test is not the correct test to take. A Lateral Flow Test is for checking for the virus when you are symptom free.
- Symptoms include – loss of smell or taste, a temperature, a new or persistent cough. Please do not come into school with these symptoms.
- Adults please continue to wear face masks (unless exempt) and socially distance when on the school site.

## What to do if a COVID test comes back positive?

- If the test comes back positive during school hours, please phone us straight away.
- If the test comes back positive out of school hours, please access the form below:

## Celebrations

Today saw a lovely end to the month – our Superstar Assembly. The parents of the children named below have already had a letter, telling them that their child has been noticed for going above and beyond in all that they do and they are now able to choose a book with their parents, which we will buy for them.

This is to say a huge THANK YOU and WELL DONE for all that our Superstars do, from everyone at school.

## Summer Reading Challenge

St Agnes Library has sent through the details of this year's Summer Reading Challenge. The Challenge starts on Saturday 10<sup>th</sup> July and runs through the Summer Holidays. It is a great way to encourage a love of reading over the summer, it challenges children in their reading and offers fun, free and flexible activities. Currently, St Agnes Library is only open on Wednesday mornings and Saturday mornings and will continue to do so when the Challenge starts, but they are hoping to resume their full opening hours from 19<sup>th</sup> July.

## Supporting Our Community

### Mount Hawke Millennium Green

Below is a link to a funding page to continue improving the play equipment in Mount Hawke Millennium Green. 'The more pledges from different emails we can get the more points we get, which will put us in with a chance of £5000 donation from The Calor Fund. Each pledge earns us 10 points even a pledge of £1. Any help from you guys will be very welcome and go towards the play area which is hugely used by the children of the village.'

Kind regards and thanks
