Head of School: Miss C Biddick

Dear Families

Welcome back to the Summer Term. What a wonderful start it's been, with sunshine all week. We have made great use of the field and the outside areas, and we must say a **big** thank you to everyone who has donated plants - and other toys, games and equipment too – everything is being put to great use already. The children have settled back in well and we are already progressing with our new learning and topics, as well as consolidating learning from earlier in the year.

Celebrations

We held our Friday Virtual Assembly today and it was lovely to share the news from each class with everyone, and enjoy that wonderful feeling of our family all being back in school together. Even though we still can't see each other in real life, getting the whole school together in Teams helps us feel so connected.

The Big Ask

The Children's Commissioner for England, Rachel de Souza, wants our children's help in telling the Government what they think and what our children need to live happier lives. It would be great if all our children would take part in the

Road Safety

We have had reports from local residents of unsafe driving and parking around the village. Please help us to keep everyone safe by keeping to low speeds, being mindful of others and walking to school or using one of the buses where possible. Thank you.

Thank You!

Thank you so much for all the donations of plants, games, books, toys, pots and pans. They are being put to such good use. Mousehole would be delighted for any donations of compost, top soil or pots too.

- Create opportunities, overcome challenges and make choices (thinking skills)
- Increase everyone's potential achievement and readiness for life

Plants for the Playground

FOMHS would like to ask for donations of any plants, particularly hardy/perennial flowering plants to plant around the playing field and edges of the playground, where possible, to brighten the school grounds up for the children during playtime. We are very grateful to Julie of Julies Plants who donated lots of plants to Mousehole class and for planted up planters from Nikki Arnold. If you have any plants that you can donate, or bulbs, or shrubs, please do bring them into school. It would be great to have flowers coming into bloom all year round.

Easter Smartie Challenge

FOMHS gave every child a treat for Easter for them to eat, do good deeds, or extra reading in exchange for 20p's earned to pop into the tubes before bringing them back in to school. Please send your tubes back into school by Monday if you haven't done so already and thanks in advance for taking part.
