Head of School: Miss C Biddick

25.9.20

Dear Families

What a lovely week we have had in school despite the sudden change in the temperature. There is such a super feel around the building. The children are settled, positive and working very hard – walking through the corridors and popping into the classes is such a pleasure. Do remember to follow us on social media, where we like to share what is going on.

Celebrations

We held our Friday Virtual Assembly today and it was lovely to share the news from each class with everyone.

Class	Celebration	Achievement
Mousehole	Amber	Joshua
Godrevy	Piran	Áine
Longships	Zara	Beau H
Pendeen	Leah	Sammy
Carne	Jackson	Lola
Gwithian	Eden	Rosie
Lamorna	Blake	Connie
Class 5MB	Joshua	Thomas
Class 5LW	Joshi	Libby
Class 6	Martha	Sam

We are working on our Celebration Theme for this term of 'Be Unique, Be Me' in every class. From Mousehole Class, who have based their learning on Elmer, through to the older children who are thinking about how important it is to consider other views and people, we are learning to be confident in our own views and beliefs, while being respectful of others.

E-Classrooms

On Monday, you received your child's access information to their e-classroom again. We have also sent out further information, so hopefully you have all managed to access these at home now. If you have any issues with logging on, please do contact us straight away and we will try to help. We are also working hard to collate all the logins you may need for different apps into one letter, and will issue these shortly.

We have different e-classrooms for different ages:

Mousehole Class – Tapestry

Years One and Two – Seesaw

Years Three to Six – Google Classroom

Google Classroom

Healthy Snacks

All schools have a duty to promote healthy lifestyles, and to educate the children in our care to be healthy, so we only allow fruit or vegetable snacks (including dried ones) at playtime. Children can bring these in from home. Reception Class and Key Stage One children (YR, Y1 and Y2) are given a piece of fruit or veg every day for snack, as part of the School Fruit and Veg Scheme. Thank you for supporting this so well.

Autumn Term Parent Consultation Meetings

Because we cannot have many people in the school building at the moment, we will be holding our Autumn Term Parent Consultation Meetings via phone calls this term, just before the October Half Term.

Shortly, we will send out an invitation for you to book an appointment on Arbor in the usual way. These appointments will be timed for every ten minutes and the teacher will phone you on the number we hold for the person booking the appointment.

Please do not record these conversations and if you are putting it on speaker phone, please make the teacher aware of this. As usual, the teacher will need to keep to the appointment time for each person, so if at the end of your appointment, you feel that you need more time, do let the teacher know and they will arrange another time to contact you again.

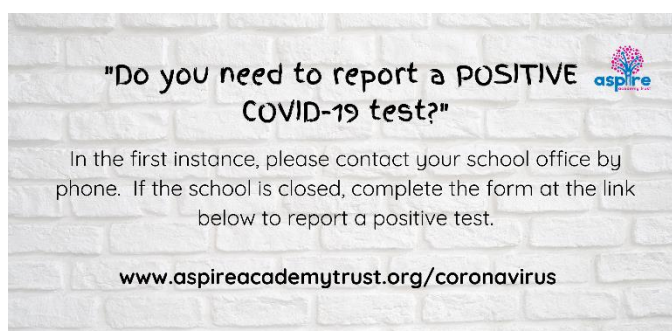

As ever, please do not wait until these appointments if you have any concerns, queries or worries. Do email hello@mounthawke.org and your child's teacher will respond as soon as possible.

What to do if a COVID test comes back positive?

If the test comes back positive during school hours, please phone us straight away.

If the test comes back positive out of school hours, please access the form below

Rodda's Road

Help us to keep everyone safe by not driving up or down Rodda's Road during drop off and pick up times. It is a great space for families to walk, scoot and bike to and from school, whilst socially distancing.

Communications

Remember to use the email hello@mounthawke.org or phone 01209 890230 if you need to speak to one of us or let us know about something. Even though we can't have a conversation at the classroom door or in the playground, we are still available. Miss Biddick is usually on the gate every morning and afternoon too.

All of us here at school would like to wish you a very happy weekend.
