Dear Families

We have had a super week in school. Children have started their new topics and learning and if you would like to know more about what your child will be learning each week, please do look on your child's class page on our website under the curriculum tab - [Curriculum](#).

We have been very excited to welcome players from The Cornish Pirates into school. Year Four are very lucky to be having sessions with them over the coming weeks, culminating in a tournament.

Some other children have been fortunate to have table cricket sessions this week too.

## Sport

Our netballers played their first matches on Monday at Penair School, and they were a great squad – fair and competitive. They drew their match against Threemilestone and won against Truro High School. Well played, everyone.

## Celebrations

We held our Friday Virtual Assembly today and it was lovely to share the news from each class with everyone, and enjoy that wonderful family feeling. Even though we still can't see each other in real life altogether in the hall, getting the whole school together in Teams helps us feel so connected.

Class	Celebration	Achievement

## Time Keeping

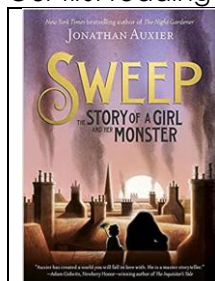

Please make sure that your child is in school on time. Our gates open at 8:30 am and close at 8:45 am. Registers take place straight after this time. Learning starts immediately, and even being a few minutes late means a loss of learning and disruption to the rest of the class. Children don't like being late – they find it unsettling. If you are having a problem, please talk to one of us to see how we can help. Thank you.

## Playzone Bookings

It is very important that you book a Playzone place before midday on the day at the latest so we can arrange staffing and snacks. Playzone runs from 3.00 pm and closes at 5.00 pm.

## Reading

Our first reading recommendation of the year:

Beezy in Truro Class recommends....  
Sweep by Jonathan Auxier

I love and recommend this book because it touches you to think how hard it was to be an unwanted kid back in the old days of London. Even though it ended with something sad it shows you how much love something can have for someone who was abandoned by someone she loved. The girl is kind and friendly to her monster and the monster wants to help everyone he sees. Not everybody loves a sad but heart-warming story, but for the ones who do I greatly recommend this book.

## Census Day Menu

To coincide with the DfE Census we will be offering the children a special Rainbow Menu with a 'Build A Burger' served with wedges and rainbow salad followed by Rainbow Sprinkle Cake and ice cream (Veggie version available). As our funding is determined by how many Reception and KS1 children take a school meal on this day, we would encourage these children to try a school lunch on this day. Please book via Parent Pay in the usual way. You are welcome to send in a packed lunch as a 'back up'.

## Tyres

We have a lot of tyres left over from various projects over the years! If you would like one (or some!) or know of someone who would, please do let us know before the end of next week.

## Communications

Remember to use the email [hello@mounthawke.org](mailto:hello@mounthawke.org) or phone 01209 890230 if you need to speak to one of us, let us know about something or share something with us. Even though we can't have a conversation at the classroom door or in the playground, we are still available. Miss Biddick is usually on the gate every morning and afternoon too. All of us here at school would like to wish you a very happy and safe weekend.
