Head of School: Miss C Biddick

Dear Families

It's been another super week in school. Even though we are moving towards the end of term, the children are still working so very hard. In each class, the children have spent time thinking about heroes and what makes different people special for them. Children have learned about many different people, from Captain Sir Tom Moore to Oscar Schindler, and have produced creative and thoughtful work on this theme.

Next week, we will send out information about your child's class and teachers for next year. We also thinking carefully and taking advice about how we can support transition to the new classes while keeping our Bubbles safe.

Going Home Arrangements

Please would you make sure that you let the office know of any changes to going home arrangements by 12pm on the day unless it is an emergency. This information goes to class teachers just after 12pm and reassures the children. Thank you.

Parking and Driving Around the School Area

We know that there have been some concerns again lately about parking and driving in the area and the police have also been in touch. They are likely to send out officers and conduct spot checks over the next few weeks. If you can, please do park further away and walk (even the last bit), cycle, use the school buses, keep Rodda's Road as a walking route and remember not to park on the school zig zags, where there are parking restrictions or cause inconvenience for others. Thank you for using the drop off zone so efficiently again. We all want to keep our children safe.

Celebrations

We held our Friday Virtual Assembly today and it was lovely to share the news from each class with everyone, and enjoy that wonderful family feeling. Even though we still can't see each other in real life, getting the whole school together in Teams helps us feel so connected.

We do not charge for stalls, however as a fundraising event we ask for a donation to be made at the end of the day to The Millennium Green Mount Hawke Trust.
