Dear Families

This week started with a bang for our Key Stage Two children, as we had a visit from The Cornish Caretakers. Ed Rowe came to school with his show, teaching the children more about how communications have developed over the years, and the very important role that Cornwall has played, and continues to play, in global communications, from Porthcurno, to Goonhilly, to Spaceport Cornwall. Gwithian Class were lucky enough to have a workshop before this, and have all had a free family pass to PK Porthcurno!

The real highlight of this week has been our first whole school assembly in the hall for two years! Some of our younger children haven't experienced this before, and it was wonderful to have everyone together, sharing our Superstars with our whole community. We are SO proud of the way the children came into the hall and then listened so carefully to the reasons each Superstar was nominated, sharing in their successes.

## Sport

Another busy week to report! Our Boccia Team came third in their tournament on Friday, a group of children took part in Coose Trannack at the weekend, a group of Key Stage One children went to Newquay for a multi-skills event, and our Girls Football Team played in several competitions. Tomorrow the girls are off to Bristol to play in the Southwest Regional Finals! We send every best wish with them. Several classes have also had cricket workshops today and have had great fun learning new skills. Mr Shaikh, from Chance to Shine, was very impressed with the children's listening and participation. Well done!

## Celebrations

Today saw a lovely end to the month of March – our Superstar Assembly. The parents of the children named below have already had a letter, telling them that their child has been noticed for going above and beyond in all that they do and they are now able to choose a book with their parents, which we will buy for them.

This is to say a huge THANK YOU and WELL DONE for all that our Superstars do, from everyone at school.

## Open Events – Save Some Dates!

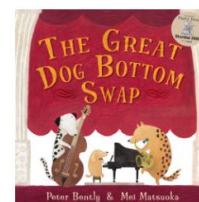

We are so pleased that we are beginning to be able to open up the school to visitors again. Next week, you will all (except some Pendeen parents who will have a later date) be able to meet your child's teacher for Parent Consultations.

On **Thursday 26<sup>th</sup> May**, we are rounding off our Platinum Jubilee Celebration Week and would love to invite you in from 2:00pm to visit your child's classroom and share their work from the week. More details about this week to follow.

On **Tuesday 20<sup>th</sup> June**, we would like to invite EYFS and KS1 parents into the hall from 2:00pm to find out more about phonics and our Little Wandle scheme. Then, from 2:20pm, we would like to invite all other parents in, to visit their child's classroom, where the children will share their books and learning for the year so far.

## Reading

Our recommended read for this week comes from Angus in Mousehole Class. He has chosen *The Great Dog Bottom Swap* by Peter Bently. 'This book is so funny. The dogs have to hang their bottoms on pegs and then they have to leave quickly and all of them pick the wrong bottom. And that's why dogs still sniff other dogs' bottoms – to find their own again!'

## FOMHS - Friends of Mount Hawke School

The FOMHS second-hand uniform will be in the school reception area next week from Monday afternoon to Thursday afternoon for you to browse through before or after your parent consultation. All items £1.00. There will be a donation box in reception.
