Dear Families

As I am sure you are aware with the information we have sent out this week, Covid rates are still relatively high in the community. Thank you so much for supporting our guidance in this as we try and keep everyone as safe as possible. Despite the difficulties that this can cause, the children are working so hard and tackle everyday with enthusiasm. We are working hard on our Christmas preparations and still hope that these will be able to go ahead.

Dry Tri

What a wonderful event this has been. All the children in the school, from Year R to Year Six, have taken part (and those few who have been away will be able to complete it soon). The children have rowed, cycled and run so far and with such determination. Thank you for all the sponsorship money too – you have been incredibly generous, and this will help us so much with updating our PE equipment. Please would you make sure that all sponsorship forms are returned to school by the end of next week. Thank you!

Celebrations

We held our Friday Virtual Assembly today and it was lovely to share the news from each class with everyone, and enjoy that wonderful family feeling. Even though we still can't see each other in real life altogether in the hall, getting the whole school together in Teams helps us feel so connected.

Out of School Sports News

This member of our school community had a whole football training day at St George's Park (England Teams' Training Ground) in their 3G stadium. He met new friends and learnt new skills during this fantastic Dwarf Sports Association Charity Event. What a super experience!

Swimming

Swimming sessions for Year Three started on Wednesday. They had a great first session, and again, the staff at the pool and members of the public complimented the children on their behaviour and good manners.

SEND Charter Mark

We are delighted that after an intense inspection of our provision that we have had our Silver Award replaced with the Gold Charter Mark for SEND (Special Educational Needs and Disabilities). This is validation and recognition of all the hard work and procedures that go into supporting all the children in our community.

Communications

Remember to use the email hello@mounthawke.org or phone 01209 890230 if you need to speak to one of us, let us know about something or share something with us. Even though we can't have a conversation at the classroom door or in the playground, we are still available. Miss Biddick is usually on the gate every morning and afternoon too.

All of us here at school would like
to wish you a very happy and safe
weekend.
