Dear Families

We have made the most of seeing some sunshine this week, with lots of learning and playing outdoors. Inside too, our topics are progressing well and the range of subjects that our children find out about each week is super – from French to Science to Geography to Art... - we aim to ensure that everyone finds their passion with us. Today, EYFS thought more about people who help us and had a visit from the police and next week they get a visit from paramedics – bringing learning to life!

Sport

Our school-wide love of sport continues. Our children have played in netball and football matches through the week, and today 67 children are going to Richard Lander School for a cross-country qualifier. A huge thank you must go to Mr Brandreth for all that he does to encourage this passion for sport.

Internet Safety Day

On Tuesday, we mark Internet Safety Day. This year's theme is 'All fun and games? Exploring respect and relationships online'. More information can be found by clicking on the link:

Reading

Our reading recommendation for this week:

Book Review by Niamh in Lamorna Class - Bad Dad by David Walliams

Basically, this is a family story with lots of ups and downs like any family. He's not actually a 'Bad dad!'. You'll have to read it though to find out why! Such a funny book following dad on his mad efforts to get himself out of trouble - he even ends up in a bank heist! He doesn't need to worry though as his son is keeping a secret eye on him at all times.

Plant Pots

Mrs Hart is starting to get busy with potting seeds and plants and would appreciate donations of plant pots. If you have any at home, please send them in via the office or to Pendeen Class. Thank you.

Drop Off

Thank you for helping keep Rodda's Road as car free as possible so families can walk, bike and scoot to and from school.

Please help to keep the traffic moving through the village too by using the Drop Off Zone correctly. Please say your goodbyes before stopping and have coats and bags ready so that the children can get straight out and you can drive off. It is not a spot to park or even stop for a few minutes as the traffic backs up immediately. Thank you.

A Few Reminders

- Our gates close at 8.45 am and all children need to be in school by this time. Being late disrupts the learning of all and makes for an unsettled start to the day.
- Children should not wear nail varnish or jewellery in school.
- Our PE kit includes blue or black short, joggers or leggings only – not football kit or patterns - [Mount Hawke Academy Uniform](https://www.mount-hawke.ac.uk/)

Thank you for your support with all of these.

Communications

Remember to use the email hello@mounthawke.org or phone 01209 890230 if you need to speak to one of us, let us know about something or share something with us. Miss Biddick is usually on the gate every morning and afternoon too.

All of us here at school would like to wish you a very happy and safe weekend.
