

Mount Hawke Academy

Head of School: Miss C Biddick

Monday 13th July

Dear Parents,

We hope you are all safe and well and that you and your child have had chance to watch the welcome videos and favourite stories from Mrs Cummins and Mrs Pascoe.

This week we have put on our website, in the Stories section, a video of both teachers reading Elmer. There is also a suggested Elmer activity, which you will find in the Staff Welcome section.

This will be a story that we use when the children start school, as a transition project.

We are planning lots of exciting activities around this story, so thought it would be lovely to start it off by reading it, for you and your child to enjoy at home, before they start school.

There is also a special activity for you to do at home, if your child would like to have a go. We look forward to hearing all about it when we start school.

Thank you to all that have completed the Tapestry form.

Please contact the School Secretary if you are experiencing any difficulties in accessing or completing this form.

We are grateful for your patience and understanding at this time, in regard to what starting school will be and look like for your child.

Please be reassured that we will contact you soon with a plan.
