Dear Families

Each week seems to whizz by, and I can't believe that we have completed our third week since Christmas. Thankfully, Covid cases remain very low within school, but we continue to be vigilant with cleaning surfaces, washing hands and having good ventilation.

Thank you for your support in getting the children into school on time. It has made such a difference this week, with everyone's start of the day being much more settled.

All of our Reception children have started a six week block of music sessions with a specialist musician this week. They have explored sounds and movement and the teacher was amazed at their knowledge of different instruments and their concentration.

We are also delighted that some of our new equipment (that was ordered before the summer!) has started arriving – a new sandpit and house for Key Stage One. There is still more to come, to help our children explore and learn outside.

Sport

Our footballers have been very busy this week. On Wednesday they played an away match against St Breock and are through to the next round of The Miller Shield after a very close match. This afternoon they are in action against Bosvigo, at home. It is great to be able to take part in such events again. Good luck all!

Celebrations

We held our Friday Virtual Assembly today and it was lovely to share the news from each class with everyone, and enjoy that wonderful family feeling. Even though we still can't see each other in real life altogether in the hall, getting the whole school together in Teams helps us feel so connected.

Reading

Our reading recommendation for this week:

Gracie in Kenwyn Class recommends
Be Unstoppable, The Art of Never Giving up
by Bethany Hamilton

This incredible autobiography is by Bethany Hamilton, a professional surfer, who has overcome many challenges including her left arm being bitten off by a tiger shark at a young age. It is an inspirational story about overcoming your fears and achieving your goals. I would recommend it to anyone who has a big dream and is ready to chase it. It also features incredible photographs for those who love the ocean. I would definitely recommend this book!

Bags2School

Thank you for all your donations. We had so many bags this morning and we will let you know how much has been raised for school funds as soon as possible.

Communications

Remember to use the email hello@mounthawke.org or phone 01209 890230 if you need to speak to one of us, let us know about something or share something with us. Even though we can't have a conversation at the classroom door or in the playground, we are still available. Miss Biddick is usually on the gate every morning and afternoon too. All of us here at school would like to wish you a very happy and safe weekend.
