Head of School: Miss C Biddick

18.6.21

Dear Families

We were so hopeful of the Covid restrictions being lifted this week, but following the Prime Minister's announcement on Monday, all education and school restrictions remain in place. Rates are very much rising in schools and we remain so fortunate that we have not had to close a Bubble yet. Thank you so much for keeping to social distancing when on site and wearing facemasks unless you are exempt. We continue with our routines in school of regular handwashing, windows open, lots of fresh air and keeping the children in our four Bubbles. We do have great admiration for our children, who take all of this in their stride, and continue to work and play so hard.

It's been another fabulous sporting week. Some children have been swimming at Truro Prep pool, Laura Beth School of Dance sessions have started again after a very long break and we have played two football matches against Threemilestone, one at home and one away.

We have been very busy making plans and can now give you some dates for the remainder of this school year at the bottom of this newsletter. Thank you for your patience and understanding that these are not always as we would usually do, but our priorities of giving the children the best education in the safest way possible remains our number one priority. We will also let you know the class arrangements for next year soon.

Celebrations

We held our Friday Virtual Assembly today and it was lovely to share the news from each class with everyone, and enjoy that wonderful family feeling. Even though we still can't see each other in real life, getting the whole school together in Teams helps us feel so connected.

Drop Off Zone

Please help us to keep the traffic in the village flowing safely by using the Drop Off Zone correctly. Please say your goodbyes before you enter the Zone, make sure that your child/ren are ready to go, and as soon as they are safely out of the car, please leave the site carefully and without delay so that the next cars can move in. Thank you.

Minibus

Our new minibus was delivered earlier in the week and has already been put to good use!
