Head of School: Miss C Biddick

Dear Parents,

We hope you and your child enjoyed looking through our Welcome Book and having the opportunity to see photos of our environment and of the curriculum that we offer at Mount Hawke Academy.

This week we have uploaded a welcome video from the Mousehole teachers on our website for you to watch together.

There is also a link attached for you to upload your details, to start the process of setting up a Tapestry account with Mount Hawke Academy.

Tapestry is an online learning journey, where we at school and you at home, can upload observations or milestones achieved, which we can share together.

It is a unique and special feature belonging to the early years of school. At the end of the year, you will be invited to download your child's learning journey to keep as a treasured memory of their start to school.

Please use this link and complete the details it asks for.

As we receive this information, we will then set up your account to the enrolling status. You will receive a message through an email from Tapestry, which will give you a link to access this. Please check your junk folder too, as sometimes it will go there. We will also send you an email from school, to make you aware that this will be sent to you.

Please make sure you read and agree to the terms and conditions. Without this, we cannot set up your account.

Once you are set up, there is an All About Me section, which you can fill in with information regarding your child. This helps us build up a picture of your child before they start school, which is incredibly useful to us, especially in the present situation.

When we start the new school year, we will send out information through an email about fully activating your account. This will be the time when we start writing observations of your child in their learning and play, for you to see.

Please contact the secretary at hello@mounthawke.org, if you have any problems.

Thank you
