Dear Families

The first thing we must mention in this week's newsletter is how proud we are of our Year Six children. This week they have taken their end of Key Stage Two Assessments (SATs) and the hard work and excellent attitudes that they have shown throughout their time with us, in school and in home learning, has shone through. We also need to thank the rest of the school for being so considerate as they moved around the building, giving everyone the chance to concentrate fully. Year Six, we hope that you enjoy your well-earned Duvet Day today!

## Celebrations

We held our Friday Whole School Celebration Assembly today and it was lovely to share the news from each class with everyone and celebrate all the hard work together. All of our children make us very proud each week, and to gain this additional recognition is very special.

## Nut Free

Please remember that we need to remain a nut free school. This means that the following items should not be brought into school:

- Packs of nuts
- Peanut butter or Nutella sandwiches
- Fruit and cereal bars that contain nuts
- Chocolate bars or sweets that contain nuts
- Sesame seed rolls (children allergic to nuts may also have a severe reaction to sesame)
- Cakes made with nuts
- Any home cooked meals for packed lunches that are made from nuts

## Photos

Monday sees our annual class and Y6 Leaver photos. Please would everyone come in wearing school uniform and if it is your PE day, bring your kit to change into. Thank you.

## Census Day Menu

Thursday 19<sup>th</sup> May is a National School Census Day, where we must report is the number of Reception and Years 1 & 2 children who are having a Universal Infant Free School Meal (UIFSM) on this day. This data is used to decide how much funding for the year we receive for our hot meals. We do not receive funding for the number of hot meals we supply, only the number of meals eaten on the census days each year.

**Our solution to this is to ask every child in Reception, Year 1 and Year 2 to try the school meal (or part of it) on Census Day, which is the popular 'Hot Dog' served with wedges and beans followed by ice cream sundae. Your child will then be fully funded to have hot meals during the year thus saving the school any additional costs. You are welcome to send in a packed lunch as a back-up.** Thank you for your support.

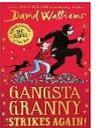

## Sport

This week has seen children taking part in tennis tournaments, football matches and quad kids. We must congratulate our tennis team for qualifying for The School Games and our Y3/4 Boys' Football Team who were placed second in the County. There are many other events planned over this term too, so as many as possible can represent our school.

## Reading

This week's book review is from Connie in Allen Class and she recommends Gangsta Granny Strikes Again by David Walliams

Are you naughty, cheeky and sly? Because if so, Gangsta Granny Strikes Again is great for you! The book is based in London in the UK and great for kids. The main characters are Tom, Edna, The Black Cat / the Queen and The Granny. In my opinion, my favourite part was when The Queen reveals herself and it's super unexpected and surprising. Of course, I have more favourite parts, but that's one of them. I recommend this book to kids and teenagers as I think they'll really enjoy it and laugh a lot! I rate this book 4.5 stars as it's not the best book I have ever read, but it's still amazing to read! If you buy this book, I really hope you enjoy it!

## Relationship and Sex Education

Through the Summer Term, all classes use the unit 'Growing and Changing' from our scheme, SCARF, to teach Relationship and Sex Education. More information can be found on our website - [MountHawkeAcademy.org](http://MountHawkeAcademy.org) - and please do feel free to discuss this further with your child's class teacher if you would like to.

## Defibrillator

We are just under £100 short of the total of £599. Thank you so much for your support, and if you would like to help us with this final push, please donate via ParentPay.
